Exercise 2: A bigger 'Kiez'

<u>Instructions</u>

Expand your world size from 3-by-3 to 4-by-4.

Input: Output (heatmap):

```
0 0 0 0                                          1 1 1 0
0 1 0 0        ------>                           2 2 3 2
0 1 1 1                                          2 2 3 1
0 0 0 0                                          1 2 3 2
```
